Marimor Industries, Inc. Receives New Truck and Baler

(Lima, OH) – In the summer of 2014, Marimor Industries, Inc, located at 2450 Ada Road, Lima, OH, was awarded \$82,000.00 in grant money from the Ohio Environmental Protection Agency. Marimor Industries, Inc, in partnership with the Ohio EPA, used the grant money to purchase new equipment that would allow for an expansion of its shredding and cardboard recycling ventures.

In November 2014, Marimor Industries, Inc. took possession of a new truck. Recently, the final phase was completed when a cardboard baler was delivered and installed at Marimor. This baler features several upgrades over the one it replaced and utilizes a conveyer system that allows consumers and staff to process the cardboard in a more efficient manner.

“Secure Shred has proven to be a tremendous asset to the community and Marimor’, said Andrew Wilker, Executive Director, Marimor Industries, Inc. ‘We currently provide shredding services to many businesses and individuals in Allen and several surrounding counties. Adding another truck will give us the opportunity to better serve our customers and, ultimately, expand our service area. The addition of the baler helps us manage the cardboard we receive in a quicker, safer fashion and provides some different hourly wage employment opportunities for our consumers. Our goal with the cardboard program is to streamline it to the point where we can offer some great options and incentives for recycling to everyone in the area.”

Marimor Industries, Inc. is a non-profit corporation that provides training and employment to individuals with Developmental Disabilities in Allen County. The training is accomplished by securing subcontract work with business and industry. The driving forces behind these efforts are the agency’s volunteer board members, as well as staff and families. Marimor Industries, Inc. Adult Services offices are located at 2450 Ada Road, Lima, Ohio. Additional information can be found at www.marimorindustries.org. Businesses and individuals may call 419-221-1226 ext 1328 for more information.
