Get To Know The Parks Crew

Have you celebrated Independence Day at Faurot Park, had a picnic on a beautiful summer day at Schoonover Park, or just sat and soaked in all the activity in the Town Square?

If the answer to any of these questions is “Yes,” then you can attest to the tremendous work done by our City of Lima Parks Crew.

For the past several years, from April through October (and sometimes into November), the *Parks Crew* has provided cleaning and ground maintenance services in parks and recreation areas across the city.

These dedicated individuals aren’t just out there when the weather is good. They are working Monday through Friday in the cold, heat, rain, or comfortable conditions, they are

to make sure the grounds and facilities in your parks are clean and ready for you to enjoy.

We are extremely proud of this group and grateful for the partnership with the City of Lima, and their continued support. This opportunity not only provides these individuals with hourly paid work, but furthers Marimor Industries, Inc’s mission of creating *stepping stones of success* toward community employment and inclusion for the individuals we serve.

In Remembrance

Recently, we lost a dear friend, peer and mentor, Earnest “Earnie” Lewis.

Earnie was one of the original members of our *Parks Crew*, and was also employed at the Milano Cafe. He also volunteered at Quick as a Wink.

He was a people person, nicknamed “Shorty”. He loved the Reds, the Buckeyes and being responsible for Hank, his four-legged brother.

Memorial contributions may be made to F.O.P. Charities Venture Crew, #8, 750 W. Robb Ave., Lima, OH 45801.
